MP3 Overview

1. How to connect

2- Operation

a) Turn on and Play music:

connect the earphone and long press the "Vol+" button.

b) Volume up:

Long press the "Vol+" button

b) Volume down:

Long press the "Vol-" button

d) Previous song:

Press the "Vol-" button

d) Next song:

Press the "Vol+" button

3- Recharge the battery

Connect the player to the PC or NB with USB cable to recharge

Note:

When it is charging or operating, the red light will glow as a signal. The battery is fully charged after it charges for about 2 hours.

4- USB Disk

The player can be used as a normal USB disk without any driver needed except Windows 98/98SE.

Notice:

1) Remove the earphone will shut down the machine

2) After shut down, you must wait at least 5 seconds to reconnect the earphone, or the unit would fail to operate.

Information on Disposal (Waste Electrical & Electronic Equipment Directive 2002/96/EC)

Your product is marked with this symbol. It means that used electrical and electronic products should not be mixed with general household waste. There is a separate collection system for these products
